Dear Exhibitor 1:

14th Macao International Travel (Industry) Expo presents the **Pre-schedule Appointment System(PSA)** for exhibitors and buyers to make appointments and negotiate online prior to the Expo, fully utilizing the time to cultivate business opportunities and build your network.

PSA helps you connect with delegates at the Expo for efficient matchmaking via multi-functional messages chatroom and 1v1 meetings, exploring valuable cooperation and industry knowledge.

Access PSA by clicking below:

澳門國際旅遊（產業）博覽會，簡稱旅博會。由澳門特別行政區政府旅遊局主辦，自2013年創辦至今已舉辦了13屆，作為澳門唯一國際旅遊的專業展和最早期的旅遊產品消費展，通過專業化、市場化、國際化、品牌化的運作，逐漸發展成為結合中國內地和國際兩大資源的旅遊產業鏈，參展商、買家及相關合作夥伴洽談、交流的重要風向標平台，推動粵港澳旅遊一體化發展，是迄今專業性強、參與面廣、影響力大的國際旅遊年度盛會之一。2021年，旅博會更成功申請成為國際展覽業協會（UFI）認證的國際性活動，向世界展示了旅博會的國際影響力和專業性。

The Macao International Travel (Industry) Expo (MITE), organized by the Macao Government Tourism Office (MGTO), is the only professional exhibition of international tourism, and one of the earliest exhibitions on tourism product consumption in Macao. In 13 years since its establishment in 2013, through professionalized, marketized, internationalized, and branded operations, the MITE has gradually developed itself into a tourism industry chain between the two major tourism resources, namely Mainland China and the international market, as well as an important guiding platform for exhibitors, buyers and other business partners to communicate and exchange insights. The event aims to push forward the integrated tourism development among Guangdong Province, Hong Kong and Macao. At present, it is one of the most professional, widely-participated and influential international tourism events held every year. In 2021, the MITE garnered accreditation from the Global Association of the Exhibition Industry (UFI) as a "UFI Approved International Event". The recognition reveals to the world the event's international influence and professionalism.

The screenshot shows a dashboard with a top navigation bar (EXPLORE, MEET, PLANNER) and a main content area. A blue box highlights the 'Download your event activities' button. The dashboard includes sections for Audience demographics, Interactions, and Conversations. A large grey box with the text 'Insufficient data to draw graph' is overlaid on the Conversations section. Below this are three summary cards: Impressions (94), Visits (0), and Bookmarks (0). At the bottom, there are two pie charts for 'Requests received' and 'Requests sent', each with a corresponding summary card showing 0 Conversations and 0% RCR (Received and Sent).

- Download your event activity report
- View your profile's Bookmarks, Visits, and Impressions at a glance
- Track your Meetings and RCR activity (Received and Sent) through clear data visualizations.
